

Teladoc is available to all Full Time Employees of GPISD.

If you are on the ActiveCare 2 or Select plans, ONLY the employee is covered on TelaDoc and not your dependents.

Get started with Teladoc®

It's quick and easy to set up your account online. Visit the Teladoc website and click "Set up account". Then follow the instructions below.

1. Provide your name, contact information, and date of birth
2. If you have a username, choose "Yes" and enter it here. If you don't have a username, choose "No, I don't have a username."

Not all members have a username, so don't worry if you need to select "No."

3. Select one of the four options that detail how you found out about Teladoc and enter the requested information.

In order to receive a FREE visit, you must follow these instructions:

If you are on the 1HD plan OR you do not have health insurance with GPISD, you MUST tell the operator at TelaDoc that you are covered by GPISD.

If you are on the TRS Select plan or ActiveCare 2 plan, you MUST tell the TelaDoc operator you are covered by TRS.
